Funding Opportunities:

### Energy Efficiency and Renewable Energy Grants/Funding Announcements:

<u>Opportunity</u>	<u>Posted Date</u>	<u>Current Closing Date</u>	<u>Eligible Applicants</u>	<u>Funding Type/ Purpose</u>
State Energy Program Formula Grants	March 20, 2009	May 12, 2009	State Governments	Grant / State Energy Program
Weatherization Assistance Program Grants	March 12, 2009	May 12, 2009	State Governments	Grant / Weatherization Assistance for Low-Income Persons
Transportation Electrification	March 19, 2009	May 13, 2009	Unrestricted	Grant / Renewable energy Research and Development
Electric Drive Vehicle Battery and Component Manufacturing Initiative	March 19, 2009	May 19, 2009	Unrestricted	Grant / Renewable Energy Research and Development
Energy Efficiency and Conservation Block Grants – Formula Grants	March 26, 2009	June 25, 2009	State, US Territories, Indian Tribes, and Units of local Government	Grant / Energy Efficiency & Conservation Block Grant Program
Clean Cities FY09 Petroleum Reduction Technologies Projects for the Transportation Sector	February 25, 2009	May 29, 2009 for Round One; September 30, 2009 for Round 2	State or Local Governments or Metropolitan Transportation Authority or combination AND a designated Clean Cities Coalition	Grant / Conservation Research and Development

**Electricity Delivery and Energy Reliability Announcements:**

<u>Opportunity</u>	<u>Posted Date</u>	<u>Current Closing Date</u>	<u>Eligible Applicants</u>	<u>Funding Type/ Purpose</u>
Smart Grid Demonstrations	April 16, 2009	May 6, 2009 – This FOA is currently issued in DRAFT form. Comments may be submitted by May 6, 2009. DOE will subsequently issue a FINAL version that will identify the due date for applications. <hr/> Draft FOA available in separate pdf on ORS webpage	Unrestricted	Cooperative Agreement /
Smart Grid Investment Grant Program	April 16, 2009	May 6, 2009 – This is a Notice of Intent (NOI). The comment period end at 5:00 pm EST on May 2, 2009. <hr/> After considering comments, DOE will issue the Funding Opportunity Announcement, currently planned for June 17, 2009. <hr/> NOI and Q&A's issued by DOE are available in separate pdfs on ORS webpage	The NOI provides information on what types of projects qualify and how the projects will be evaluated, what entities are eligible to apply, anticipated levels of federal funding per project, and other requirements Prospective applicants are invited to submit comments that convey concerns or needs for clarification.	

**Advanced Research Projects:**

<b><u>Opportunity</u></b>	<b><u>Posted Date</u></b>	<b><u>Current Closing Date</u></b>	<b><u>Eligible Applicants</u></b>	<b><u>Funding Type/ Purpose</u></b>
Advanced Research Projects Agency	April 27, 2009	June 2, 2009	Unrestricted	Cooperative Agreement/ Grant

**Science Announcements:**

<b><u>Opportunity</u></b>	<b><u>Posted Date</u></b>	<b><u>Current Closing Date</u></b>	<b><u>Eligible Applicants</u></b>	<b><u>Funding Type/ Purpose</u></b>
Applications of Nuclear Science and Technology	Mach 9, 2009	April 20, 2009	Unrestricted	Grant /Science and Technology and other Research and Development
R D on Alternative Isotope Production Techniques	March 9, 2009	April 20, 2009	Unrestricted	Grant / Science and Technology and other Research and Development
